Increase energy production by non fossil fuels	Photovoltaic plant: Interporto Bologna	11.416.248		2011	Pietro Selleri
Increase energy production by non fossil fuels	Photovoltaic plant Alfianello (BS)	943.242		2012	Pietro Selleri
Increase energy production by non fossil fuels	Photovoltaic plant Copparo (FE)	956.510		2012	Pietro Selleri
Increase energy production by non fossil fuels	Photovoltaic plant Faenza (RA)	835.380		2012	Pietro Selleri
Increase energy production by non fossil fuels	Photovoltaic plant Petriolo (MC)	764.127		2012	Pietro Selleri
Increase energy production by non fossil fuels	New plants		8.700.000		Pietro Selleri
Increase energy production by non fossil fuels	Biogas plants	4.930.908		2008 - 2010	Claudio Galli
Increase energy production by non fossil fuels	Anaerobic digestion plant: Cesena (Romagna Compost)	9.955.998		2010	Claudio Galli
Increase energy production by non fossil fuels	Anaerobic digestion plant: Lugo (RA)	12.204.424		2012	Claudio Galli
Increase energy production by non fossil fuels	Anaerobic digestion plant: Rimini	11.238.756		2012	Claudio Galli
Increase of energy efficiency	Cogeneration plant: Imola	91.040.603		2009	Stefano Pelliconi
Increase of energy efficiency	Development of district heating network - Area Bologna	42.409.998		n.a.	Fausto Ferraresi
Increase of energy efficiency	Development of district heating network - Area Ferrara	18.969.250		n.a.	Fausto Ferraresi
Increase of energy efficiency	Development of district heating network - Area Forli-Cesena	24.021.437		n.a.	Fausto Ferraresi
Increase of energy efficiency	Development of district heating network - Area Imola-Faenza	33.487.017		n.a.	Fausto Ferraresi
Increase of energy efficiency	Development of district heating network - Area Modena	9.313.870		n.a.	Fausto Ferraresi
Increase of energy efficiency	Development of district heating network		43.352.000		Fausto Ferraresi
Increase of energy efficiency	Development of industrial cogeneration		20.064.000		Giorgio Golinelli
Improvement of WTE Plants for waste treatment	WTE Ferrara	42.884.918		2008	Claudio Galli
Improvement of WTE Plants for waste treatment	WTE Forli	39.122.253		2009	Claudio Galli
Improvement of WTE Plants for waste treatment	WTE Modena fourth line	46.753.421		2010	Claudio Galli
Improvement of WTE Plants for waste treatment	WTE Rimini	44.410.371		2010	Claudio Galli
Improvement of waste and water treatment plants	Plant of Bologna	5.464.248		2011	Franco Fogacci
Improvement of waste and water treatment plants	Plant of Faenza (RA)	2.939.399		2011	Franco Fogacci
Improvement of waste and water treatment plants	Plant of Argenta (FE)	1.095.236		2012	Franco Fogacci

Improvement of waste and water treatment plants	Plant of Lugo (RA)	4.450.969		2012	Franco Fogacci
Improvement of waste and water treatment plants	Plant of Forlì	7.175.756		2013	Franco Fogacci
Improvement of waste and water treatment plants	"Piano di Salvaguardia della Balneazione Rimini" (PSB)	1.500.000	13.500.000		Roberto Barilli
Increased of sorted waste collection and reduction of waste disposed in landfills	Improvement of eparate waste collection centres	18.369.240		n.a.	Tiziano Mazzoni
Increased of sorted waste collection and reduction of waste disposed in landfills	Purchase of Containers for sorted waste collection	16.464.240		n.a.	Tiziano Mazzoni
Increased of sorted waste collection and reduction of waste disposed in landfills	Development of sorted waste collection services		22.017.000		Tiziano Mazzoni

Total per year	503.117.818	107.633.000
Total	610.750.818	

type of investment	Investments 2006-2013 (euro)	Investments 2014-2017(euro)
Increase energy production by non fossil fuels	53.245.593	8.700.000
Increase of energy efficiency	219.242.175	63.416.000
Improvement of WTE Plants for waste treatment	173.170.964	0
Improvement of waste and water treatment plants	22.625.607	13.500.000
Increased of sorted waste collection and reduction of waste disposed in landfills	34.833.480	22.017.000
