Hera acquires an additional 2% of Ascopiave share capital

Today, Hera acquired 4,688,231 Ascopiave shares from A2A, equivalent to 2% of the share capital, for a price set at 3.905 euro per share and a total of roughly 18.3 million euro.

The shareholding acquired, which arose out of a market opportunity, follows up on the similar transaction seen on 31 January 2020. In the present case as well, it was carried out jointly with Asco Holding, in order to reinforce the previously existing partnership with EstEnergy.
